Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant wished to discuss the relevance of Popat. Applicant asserted that Popat does not appear to teach user created puzzles and that Popat may not be analogous art. Examiner pointed to the rejection, which detailed the location in Popat discussing custom user created puzzles. The language also makes clear that one embodiment of Popat was directed to puzzle art. Examiner will take under advisement Applicant's argument when a formal response is submitted..
